

**REGULATION (EC) No 398/2009 OF THE EUROPEAN PARLIAMENT AND OF THE COUNCIL  
of 23 April 2009**

**amending Council Regulation (EC) No 338/97 on the protection of species of wild fauna and flora by  
regulating trade therein, as regards the implementing powers conferred on the Commission**

THE EUROPEAN PARLIAMENT AND THE COUNCIL OF THE EUROPEAN UNION,

Having regard to the Treaty establishing the European Community, and in particular Article 175(1) thereof,

Having regard to the proposal from the Commission,

Having regard to the opinion of the European Economic and Social Committee <sup>(1)</sup>,

After consulting the Committee of the Regions,

Acting in accordance with the procedure laid down in Article 251 of the Treaty <sup>(2)</sup>,

Whereas:

- (1) Regulation (EC) No 338/97 <sup>(3)</sup> provides that certain measures are to be adopted in accordance with Council Decision 1999/468/EC of 28 June 1999 laying down the procedures for the exercise of implementing powers conferred on the Commission <sup>(4)</sup>.
- (2) Decision 1999/468/EC has been amended by Decision 2006/512/EC <sup>(5)</sup>, which introduced the regulatory procedure with scrutiny for the adoption of measures of general scope designed to amend non-essential elements of a basic instrument adopted in accordance with the procedure laid down in Article 251 of the Treaty, *inter alia* by deleting some of those elements or by supplementing the instrument with new non-essential elements.
- (3) In accordance with the statement by the European Parliament, the Council and the Commission <sup>(6)</sup> concerning Decision 2006/512/EC, for the regulatory procedure with scrutiny to be applicable to instruments adopted in accordance with the procedure laid down in Article 251 of the Treaty which are already in force, those instruments must be adjusted in accordance with the applicable procedures.
- (4) In particular, the Commission should be empowered to adopt certain measures regulating trade in species of wild fauna and flora, to adopt certain amendments to the Annexes to Regulation (EC) No 338/97 and to adopt

additional measures to implement resolutions of the Conference of the Parties to the Convention on international trade in endangered species of wild fauna and flora (CITES) (hereinafter referred to as 'the Convention'), decisions or recommendations of the Standing Committee of the Convention and recommendations of the Convention Secretariat. Since those measures are of general scope and are designed to amend non-essential elements of Regulation (EC) No 338/97, *inter alia* by supplementing it with new non-essential elements, they must be adopted in accordance with the regulatory procedure with scrutiny provided for in Article 5a of Decision 1999/468/EC.

- (5) On grounds of efficiency, the normal time-limits for the regulatory procedure with scrutiny should be curtailed for the adoption of measures amending the Annexes to Regulation (EC) No 338/97, in order to comply with the deadline for entry into force of amendments to the Appendices to the Convention.

- (6) Regulation (EC) No 338/97 should therefore be amended accordingly,

HAVE ADOPTED THIS REGULATION:

*Article 1*
